Lots of them!

It's Easy!

When you fill in the information online, we will send an email to your family member, friend or co-worker letting them know you referred them to NuVista FCU. When your referral signs up for membership with a qualified account at NuVista FCU, such as a checking account, credit card or auto loan, **we'll deposit \$25** into your savings account. We will help your friend make a smooth transition to NuVista. Help the people you care about experience the NuVista Credit Union difference, too – the more referrals you make, the more money you earn.

See official Sweepstakes rules online or at the credit union.
